## PRESIDENT'S MESSAGE

Dear Members,  
No! No! It can't be August already. Someone PLEASE slow down the calendar so we can savor these warm and sunny days and make them last a little bit longer. I hope everyone is enjoying the summer season and has an opportunity to take some time off and take a real vacation (not a working vacation), read a book or two, visit with distant family or friends but most of all take advantage of this wonderful season.

For all of you that have confirmed your space for August 12, our Fire Island dinner/cruise at Flynn's we are completely Sold Out, great response, thank you. Remember that the boat leaves at 7PM sharp so you must be on board by 6:45pm and it leaves from Captree State Park.

Although we are not having an official meeting in August we start the September meeting off with a bang. Our long time friend and member of TASC, Marcia Sinclair from Jamaica Tourist Board will be our presenter. This looks to be a very informative meeting as there are so many changes to this fabulous Caribbean Island that we all need to hear about. Mark your calendar! You won't want to miss any of it.

So for now, enjoy the rest of your summer and see you again soon.
